IOM Government Storage Area Network Refresh

Request for Information

Ref: GTS-1112

Government Technology Services (GTS) wish to explore the market to identify Suppliers who could provide, implement and support a Storage Area Network (SAN) for GTS.

GTS is a Division of the Cabinet Office and is a shared service providing the full range of IT services to all areas of the Isle of Man Government. This covers consultancy, project work, development, design and support services.

Further detail is available via the Procurement Portal. In order to participate, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please [visit https://in-tendhost.co.uk/iomg/asp/Home](https://in-tendhost.co.uk/iomg/asp/Home) and select 'Register' from the menu on the left side of the Home Page.

Once you have registered your organisation you should select this RFI from the list of 'Current Tenders' and 'View Details' then click 'Express Interest' at the bottom of the page. Once you have expressed an interest a new tab called 'Quote Documents' will become available where you can download all the necessary information. If you choose to proceed, please select 'Opt In' and a new section will appear for you to upload your completed return documents.

Should you have any difficulty in using the website or registering your interest in this way, please e-mail procurement@gov.im.

The Request for Information will remain available to register for on the Portal for responses until noon on Wednesday 8th May 2024. Any questions regarding the exercise must be directed to the team via the Portal.

Responses should be submitted through the above Portal by noon on Friday 10th May 2024.
