7. Proposed Future Uses and Capacity

Use (if mixed use, please tick all that apply)

Predominantly Residential

Basic Information – area/number of units/proposed floorspace/number of pitches:

We wish to replace the existing brick built agricultural building and replace it with a new 250 square meter, eco building, in keeping with the area. It currently has a full planning application passed/approved for the conversion of the existing building. However our circumstances have changed since our previous application in 2008 and we would like to build one modern home.
