

Sale of Leica iCON ICR55 Robotic Total Station

The Department of Infrastructure, Highways Division, has a Leica Icon ICR55 Robotic Total Station available for sale that is now surplus to requirements.

The sale includes a CC80 rugged 7 Tablet, Detail Pole and tripod and is in good working order. However, the power adaptor is missing.

The Department will consider offers in excess of £4,500.00.

Further information can be obtained by contacting Simon Pontee on (01624) 686636. Or by email to Simon.Pontee@gov.im

All bids should be submitted in a sealed envelope to **Simon Pontee, Highway Services, Sea Terminal Building, IM1 2RF** by **Monday 8th July 2024**.
