Covert and Overt Testing Isle of Man Airport

The Isle of Man Government invites expressions of interest from a current CAP1975 registered company to provide Covert and Overt testing to the Department of Infrastructure at the Isle of Man Airport.

The Department aims to contract an expert team to evaluate security measures and pinpoint vulnerabilities through covert testing. Testing will encompass a scrutiny screening process for persons, cabin baggage and vehicle. You will also be required to carry out testing access control to include penetration tests.

In order to participate in this competitive exercise, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please visit <https://in-tendhost.co.uk/iomg/asp/Home> and select 'Register' from the menu on the left side of the Home Page.

Once you have registered your organisation you should select this Quick Quote from the list of 'Current Tenders' and 'View Details' then click 'Express an Interest' at the bottom of the page. Once you have expressed an interest a new tab called 'Quote Documents' will become available where you can download all the necessary information. If you choose to proceed, please select 'Opt In' and a new section will appear for you to upload your completed return documents.

If you decide not to proceed please click 'Opt Out' and select a reason for not proceeding.

Should you have any difficulty in using the website or registering your interest in this way, please e-mail procurement@gov.im

The Quick Quote will remain available on the Portal for Expressions of Interest until **noon 8th July 2024**.

Quick Quote Returns must be submitted through the above Portal by **noon 15th July 2024**.
