Quick Quote - Curraghs Wildlife Park Professional Services

The Isle of Man Government invites expressions of interest from suitably qualified people to provide a Master Plan for the Curraghs Wildlife Park to the Department of Environment, Food and Agriculture.

The main goal of the tender should be to provide 2 options. The first is to show how the Park can breakeven within 2 years. The second is broader and includes broadening the visitor proposition to older age groups. The second option is to include a plan that carries on for 25 years, which should be costed and have breakeven points throughout the length of the plan.

In order to participate in this competitive exercise, your organisation must be registered on the Isle of Man Government's Procurement Portal. If you have not previously registered, please visit <https://in-tendhost.co.uk/iomg.aspx/Home> and select 'Register' from the menu on the left side of the Home Page.

Once you have expressed an interest a new tab called 'Quote Documents' will become available where you can download all the necessary information. If you choose to proceed, please select 'Opt In' and a new section will appear for you to upload your completed return documents.

If you decide not to proceed please click 'Opt Out' and select a reason for not proceeding.
